### **Matters Arising**

Coaching course – ongoing. Dave has decided which course is more appropriate to do but this is an attended course, not remote learning so it cannot be done until the lockdown lifts.

Bar racking – Ken has enquired about an order, but delivery is a 2-man job and due to Covid-19 restrictions this is not possible.

### **Reports**

#### **Club Secretary**

Applied for a Sports England grant, £500 awarded, there are conditions attached to this offer that it is to support Covid-19 measures and we must ensure it is ringfenced to ensure we can demonstrate it is only used for that purpose or the grant might have to be repaid. Club also received a £10k rates grant from government, this has no conditions attached and will not have to be repaid.

#### **Treasurer**

Current Account £29,932.29, Savings £69.39, Float £76.45.

Has to date still not received an invoice for the April-June pavilion rent (£1,000) from the council. Awaiting to see if LBBB sends an invoice for the June-Sep period.

#### **Any Other Business**

- Reopening the club
  - Committee decided to re-open the club, with restrictions, from 15th June.
  - Clubhouse to remain closed until guidelines advise otherwise, this means bar, kitchen and toilets remain unavailable.
  - Online booking system must be used, no ad-hoc turning up to play
  - Anyone having to travel more than 5 miles to get to the club can book two consecutive slots, all others are restricted, initially to one slot only.
  - No more than 2 players per rink, 2 members from the same household count as 1 meaning there can be up to 4 players per rink if they come from 2 households.
  - Restrictions on play will be sent to members and must be specifically agreed as part of every booking before a playing timeslot can be selected.
  - Dave J and Bernard have bought supplies (hand-gel, dispensers (awaiting delivery), wipes and liquid soap) as needed to enable a good personal safety regime to be followed. Invoices provided to Dave W.
- Use of the green would be monitored (spot checks etc). Anyone not adhering to the guidelines (as published), would receive one 'warning', any subsequent transgression would result in the removal of their green usage privileges until the green is fully open again.
